Vira Cornell Gets Judgment in Westchester From Her Stepfather.

One of the largest judgments ever recorded with Clerk Louis N. Elliott of Westchester County against an individual is for \$385.671 in favor of Vira Cornell of Rye-on-the-Hudson against Seymour W. Bonnell of Manhattan.

The plaintiff sued Mr. Bonnell in conjunction with the Precious Woods Handling Company for monies which she alleged to be owed to her by her stepfather, for investment in corporations in which he was interested, and she alleged that he never made an accounting.

Judgment for the plaintiff was rendered by Supreme Court Justice J. Addison Young of New Rochelle. Bonnell appealed to the Court of Appeals and the order of that court affirming Justice Young has just been filed.

TOOK LONG TRAMP TO SEE NEW YORK

Newburgh Youngsters Tell of Walk From Newburgh and Want to Get Home.

Sitting on the curb in front of the Grand Central Terminal in 43d Street early this morning, three forlorn boys were found by Patrolman Monahan.

"We have just finished seeing New York," one of the boys explained, "and want to go back to Newburgh."

"How did you get here," asked Monahan.

"We walked, and crossed over from Jersey by sneaking on a ferryboat. We are hungry and tired and want to go home."

They said they were John Cox, fifteen, of No. 23 Water Street, Harold Bliss, fourteen, of No. 24 South Street, and Milton Reese, fifteen, of No. 124 Smith Street, all of Newburgh. They were fed by the patrolman at the station house and sent to the Children's Society for the night.

AID FOR BISHOP BURCH.

Suffragan or Coadjutor Likely to Be Asked at May Convention.

Bishop Arthur S. Lloyd probably will be elected suffragan bishop, if Bishop Burch of the Protestant Episcopal Diocese of New York asks for one when the annual diocesan convention meets here May 18. Bishop Lloyd, who soon will be sixty-three years old, is now assisting Bishop Burch with confirmations in this diocese.

Bishop Burch may ask for a coadjutor. A suffragan is an assistant bishop who has no right to succession. A coadjutor is an associate bishop who succeeds on the death or resignation of the bishop. Of the 313 clergy in this diocese, forty-five are rumored as possible suffragan bishop candidates.

Anemic People Need Blood-Iron Phosphate

Anemic people are usually thin, pale, weak, discouraged, nervous wrecked; showing that lack of iron in the blood is all too frequently accompanied by a run-down nervous system due to lack of phosphorus. Strength, health and energy depend almost entirely on making up this deficiency in iron and phosphorus.

Unquestionably one of the best things for this purpose is the great French discovery known among our druggists as Blood-Iron Phosphate. Folks who have tried it say that one five-grain tablet with each meal quickly restores depleted nervous energy, enriches the blood, increases strength and endurance, and those who are thin usually put on pounds of solid flesh in a short time. Inasmuch as Kallish Pharmacy and all leading druggists are authorized to sell Blood-Iron Phosphate under a guarantee of satisfaction or money back, every thin, weak, nervous or anemic man or woman should give it a trial, without delay. Important—Blood-Iron Phosphate is sold only in original packages, containing enough for three weeks' treatment, at \$1.50 per package—only 50 cents a week—ADVT.
